Summary

Hi, I'm Maitra Dalia, a driven student with a passion for full stack web development. I interned at CODSOFT, where I built and maintained web applications and created my own portfolio website. I completed a comprehensive JavaScript course on Udemy, mastering both beginner and advanced levels. I'm excited to bring my front-end and back-end development skills to a dynamic team as a Full Stack Web Development Intern.

Professional Experience

Web Development Intern CODSOFT, vadodara, Gujarat May 2024 - June 2024

- Developed and maintained web applications using HTML, CSS, JavaScript, and modern frameworks.
- Collaborated with a team of developers to troubleshoot and resolve technical issues.
- Created a personal portfolio website showcasing my projects, demonstrating my skills in front-end development and web design.
- Gained hands-on experience with version control systems like Git and project management tools.
- Assisted in front-end development tasks including coding, testing, and implementing responsive designs for websites

Education

Diploma in Computer Science and Engineering

June 2022 - Present

Parul Institute of Engineering & Technology Vadodara ,Gujarat , India

- Currently pursuing a Diploma degree in Computer Science and Engineering with a focus on software development and programming languages at Parul University. Taking a range of courses in algorithms, data structures, computer systems, and computer networks to develop a strong foundation in the field.
